

BSD Postdoctoral Association Special Bulletin Regarding Benefits

Dental Plan - ACT NOW TO AVOID LOSING YOUR DENTAL INSURANCE!!

The University is dropping First Commonwealth dental insurance and adding another MetLife plan. This new MetLife co-pay plan is comparable to First Commonwealth (HMO - networked) but the coverage is significantly better!

- **If you are a Postdoctoral Scholar or Research Professional Associate:**

You MUST deal with this during open enrollment online BEFORE 7pm November 21 (TODAY!) or you will wind up with NO dental insurance at all. Please contact the benefits office (x2-9634) if you have not received your 2007 benefits booklet through the mail.

No correction period after open enrollment ends - You will receive a Confirmation Statement that summarizes your 2007 benefit elections, but you may NOT make or modify your elections. Please do not return the Statement to the Benefits Office.

Enroll on <http://hr.uchicago.edu> by November 21, 2006 at 7:00 p.m. CST. All you need is your Personal Identification Number (PIN) - included in your enrollment kit and on your enrollment worksheet.

- **If you are a Postdoctoral Fellow:**

Download the MetLife Copay Plan Enrollment form (<http://hr.uchicago.edu/forms/benefits.html#dental>) and give it to your departmental HR administrator or to Cindy Riley at the Benefits Office (x2-0461) BEFORE December 11. Otherwise you will wind up with NO dental insurance at all.
