

****Biological Sciences Postdoctoral Association****
****E-Bulletin September 17th, 2008****

Summary:

-
1. BSD PDA Seminar Series on Intellectual Property and Patent Law (9/19)
 2. The Argonne Named Postdoctoral Fellowship Program
 3. Sixth Annual Chicago Biomedical Consortium Symposium (10/31)
 4. Association for Women in Science-Chicago Chapter Event (10/7)
 5. The 2008 Chicago Nuclear Medicine Forum (9/25-26)
 6. Job Posting: Director of Scientific Research
 7. An Evening to Discuss Career Opportunities with McKinsey and Co. (9/29)
 8. Academic Keys Job Listing Newsletter
 9. NIH Funding Opportunities and Notices

1. The BSD Postdoc Association Seminar Series Presents:

"Careers at Intellectual Property Management & Patent Law"

Elaine Chang,JD,PhD and Jelena Janjic,PhD

McDonnell Boehnen Hulbert & Berghoff LLP
<http://www.mbhb.com/home.cfm>

Friday 9/19
BSLC 205
4pm

2. The Argonne Named Postdoctoral Fellowship Program

The Director's Office initiated these special postdoctoral fellowships at Argonne, to be awarded internationally on an annual basis to outstanding doctoral scientists and engineers who are at early points in promising careers. The fellowships are named after scientific and technical luminaries who have been associated with Argonne and its predecessors, and the University of Chicago, since the 1940's.

Candidates for these fellowships must display superb ability in scientific or engineering research, and must show definite promise of becoming outstanding leaders in the research they pursue. Fellowships are awarded for a two-year term, with a possible renewal for a third year, and carry a stipend of \$76,000 per annum with an additional allocation of up to \$20,000 per annum for research support and travel.

DEADLINE: November 5, 2008

Requirements:

E-mail the following to: Named-Postdoc@anl.gov
Subject line: name of the candidate.

- Nomination memo (≤ 2 pages) from ANL sponsor
- Research proposal (≤ 2 pages)
- Three letters of recommendation from other than Argonne staff
- CV
- List of publications, abstracts and significant presentations
- Graduate School and Undergraduate Transcripts

The sponsor could be someone who is already familiar with your research work and accomplishments through previous collaborations or professional societies. If you have not yet identified an ANL sponsor, visit the detailed websites of the various Research Programs and Research Divisions at www.anl.gov

All correspondence should be addressed to Argonne Named Postdoctoral Fellowship Program. One application is sufficient to be considered for all named fellowships. For additional details, visit the Argonne web site at <http://www.dep.anl.gov/postdocs/>

3. Sixth Annual Chicago Biomedical Consortium Symposium (10/31)

The Chicago Biomedical Consortium (CBC) will hold the annual Symposium, Frontiers in Molecular Imaging: From Promise to Practice.

October 31, 2008 at the UIC Forum, University of Illinois at Chicago, 725 W. Roosevelt Rd.

This is a free event offering networking and poster presentation opportunities. To register, submit a poster, or view the agenda, please visit our website

<http://chicagobiomedicalconsortium.org/>.

4. The Association for Women in Science-Chicago chapter invites you to join us for our Fall kick off event!

Old Town Oil:

Old Town Oil will provide beer, wine, bread, pesto, cheese, olives and all the oil & vinegar you can taste. They will also give a brief lesson on Extra Virgin Olive Oil and Balsamic Vinegars. Guests are free to sample from the 25-30 oils and vinegars 'on tap'. The store will also offer a 10% discount on purchases made that night. Raffle prizes will be available and the party can continue nearby at O'Briens.

Date: Tuesday, October 7

Time: 7:00-8:30pm

Location: Old Town Oil, 1520 North Wells, Chicago

(<http://oldtownoil.com>)

Register: \$15/person or \$25 for you and a friend. Register online using Acteva

<http://www.acteva.com/booking.cfm?bevaid=167103>

by Friday, October 3.

See www.awis-chicago.org for more details!

5. The 2008 Chicago Nuclear Medicine Forum

The University of Chicago on 9/25 & 9/26 (Thursday & Friday)

You are cordially invited to participate in this special meeting. Please see the detailed program and other related information in the attached announcement.

Free to all UC personnel, advanced registration is strongly recommended because of the limited seating available.

For more information, please visit:

<http://cnmf.uchicago.edu>

6. Job Posting: Director of Scientific Research

Found Animals Foundation (FAF) is a 501(c)(3) private operating foundation was created to address the causes and consequences of pet overpopulation through innovative strategies and community partnerships. FAF aims to develop sustainable, scalable animal welfare solutions beginning with the Los Angeles Metropolitan Area and then expand those models worldwide.

FAF is well funded and ready to undertake a significant ramp up of its programs and operations. FAF provides an exciting startup environment and the opportunity to work with highly talented individuals. It is a dynamic organization that values creativity and innovative thinking and fosters strong teamwork with mutual respect.

FAF seeks an established leader in the field of reproductive biology to serve as Director of Scientific Research. This person will manage the innovative project of a medical technology inventor and Forbes 400 businessman. This project aims to generate interest and incent research in innovative approaches to reproductive biology, eventually leading to a non-surgical sterilant for use in companion animals. This position is ideal for a self-starter with operations management abilities and a solid background in the biological sciences.

Duties:

- Provide strategic scientific leadership in the administration, promotion and management of the project from inception to completion.
- Review current research in reproductive biology and non-surgical sterilization technologies.
- Manage significant monetary prize for inventions in reproductive technology.
- Work with the board of scientific advisors to:
 - oDevelop grant application process, review and approve grant seekers.
 - oAllocate of research funds.
 - oMonitor grant recipients to ensure ongoing program compliance.
- Ensure that sound implementation plans and appropriate risk mitigation strategies are in place.

- Hire and train program staff as needed.
- Manage and execute the budgeting, delivery and evaluation of program.
- Proactively anticipate, identify and resolve program issues.
- Serve as lead representative and spokesperson for project.
- Successfully cultivate relationships and prepare agreements with collaborating institutions.

Qualifications:

- PhD in biological sciences - specializing in reproductive biology or pharmacology.
- MBA/PhD preferred.
- Big pharmaceutical knowledge necessary.
- Public Relations experience helpful.
- Mastery of research design, methodology and statistical analysis.
- An understanding animal welfare issues helpful, but not required.
- Professional philanthropic experience not required.
- Strong interpersonal and communication skills.
- Ability to travel to functions and promotional events.
- Ability to interact positively with a wide variety of personalities.
- Honesty and integrity, strong organization skills and the determination to do whatever it takes to get the job done.

To apply please submit a resume and cover letter along with salary history and requirements via email at: info@foundanimals.org. In your cover letter, highlight aspects of your experience that are relevant for this job, including volunteer service, and explain why you are interested in working with this organization.

7. AN EVENING TO DISCUSS CAREER OPPORTUNITIES WITH MCKINSEY & COMPANY

McKinsey & Company - a management consulting firm – invites you to a presentation for graduate students* on Monday, September 29, 2008 from 6:00-8:00pm in our Chicago location. We look forward to introducing you to the exciting alternative career choice of management consulting. Please join us for an evening of open and interactive discussions:

- * Meet with consultants to find out why we chose consulting, what we actually do, and what a career in consulting could look like for you
- * Practice solving a business problem in small groups – spend a few minutes "in the life of a consultant"
- * Learn about the application process for a full time or summer associate position

For details and to rsvp, visit

http://www.surveymonkey.com/s.aspx?sm=6a1dbDQ50N5yqA1eRmgYNw_3d_3d

Please rsvp no later than Friday, September 26, 2008. Limited spaces are available for this event and are reserved on a first-come, first-served basis.

*This event is for Ph.D. students, Post-docs, M.D. students, Interns, Residents, Fellows and Masters** students (non-M.B.A.) who are completing their program in 2009 or 2010.

**Note that Masters students should have completed their undergraduate degree before July 1, 2005. If you completed your undergraduate degree after this date, visit www.mckinsey.com/usschools to learn more about our Business Analyst opportunities.

APPLICATION DEADLINE

Application deadline for permanent positions in offices worldwide: October 5, 2008.

Application deadline for summer associate positions in offices worldwide: December 7, 2008.

Please visit our website for more information and to apply:

www.apd.mckinsey.com

If you will be finished with your studies in 2009 you should apply for a permanent position by the above deadline. Medical interns, residents and fellows finishing in 2010 may also apply now, for a permanent position, to receive an early decision. Those finishing studies in 2010 may apply for the internship program. If you will not be applying now, you may register at the same website; registrants will receive e-mails about upcoming events and opportunities.

A CAREER WITH MCKINSEY & COMPANY

McKinsey & Company is a management consulting firm that advises senior management of the world's leading organizations on issues of strategy, organization, technology and operations. We are always on the lookout for high caliber individuals to help us fulfill our mission: 1) to help our clients make positive, lasting and substantial improvements to their performance, and 2) to build a great firm that is able to attract, develop, excite and retain exceptional people.

People join us from a wide range of disciplines, and you'll find that we're more interested in the quality of your achievements than your particular area of studies. What is most important to us is evidence of success in your chosen field. Working with us, you will gain exposure to a diverse range of industry sectors and business issues that will not only enhance your career options, but also accelerate the pace of your personal development. In addition, you'll be a member of a core team working directly with senior client executives to address the defining business issues of our time.

So, if you like the idea of a career alternative that will stimulate and challenge the very brightest minds together with the opportunity to work with highly motivated colleagues in a supportive, team-based environment, please join us for our presentation.

Also, please visit our website at www.apd.mckinsey.com to learn more about McKinsey & Company. The website features profiles of consultants with backgrounds similar to your own, information about selection criteria, application tips, and the on-line application form.

Feel free to forward this e-mail to graduate students who might be interested in learning about career opportunities with McKinsey & Company.

Please contact your recruiter should you have questions:
